SENATE SUBSTITUTE AMENDMENT 1,
TO SENATE BILL 600

January 22, 2020 - Offered by Senator ERPENBACH.

- 1 **AN ACT** *to create* 49.46 (2) (b) 21. and 49.46 (2) (bv) of the statutes; **relating to:**
2 physical health services and acupuncture under Medical Assistance program
3 and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill increases a Department of Health Services appropriation by \$1,000,000 in each fiscal year of the biennium for the purpose of increasing reimbursement rates for physical health services under the Medical Assistance program. Physical health services are nonpharmacologic interventions used for treatment or mitigation of pain, including chiropractic methods and physical therapy.

The bill also includes acupuncture provided by a certified acupuncturist as a reimbursable benefit under the Medical Assistance program. The bill requires DHS to submit to the federal government any request for federal approval necessary to provide the reimbursement for an acupuncture benefit under the Medical Assistance program.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 49.46 (2) (b) 21. of the statutes is created to read:

49.46 (2) (b) 21. Subject to par. (bv), acupuncture provided by an acupuncturist who holds a certificate under ch. 451.

SECTION 2. 49.46 (2) (bv) of the statutes is created to read:

49.46 (2) (bv) The department shall submit to the federal department of health and human services any request for a state plan amendment, waiver, or other federal approval necessary to provide reimbursement for the benefit under par. (b) 21. If the federal department approves the request or if no federal approval is necessary, the department shall provide the benefit and reimbursement under par. (b) 21. If the federal department disapproves the request, the department may not provide the benefit or reimbursement for the benefit described under par. (b) 21.

SECTION 3. Nonstatutory provisions.

(1) PHYSICAL HEALTH SERVICES REIMBURSEMENT.

(a) *Definition.* In this subsection, “physical health services” means nonpharmacologic interventions used for the treatment or mitigation of pain, including chiropractic methods and physical therapy.

(b) *Reimbursement required.* The department of health services shall increase reimbursement rates under the Medical Assistance program for physical health services.
